## WE JUST WANT TO SAY... THANK YOU!

### To the Management and Staff of Schull Community Hospital

We the local community and beyond wish to congratulate and thank you all sincerely for the way that you rallied together as a very willing team and worked out a system between each other to ensure that you managed to get to work and cared so well for your patients needs during last week's snow storm. Your determination and loyalty to your patients was just wonderful. Some of you managed to get to work in very difficult circumstances and were willing to stay at work or in nearby accommodation away from your own families and children.

What great community spirit!!! Well done to all concerned.

**National Tree Week** is from 3rd – 11th March and this Sunday the Goleen Community Garden will be the venue for our own *Tree Planting Event*. Eight Native Irish trees, one for each of the areas in the district, will be planted by members of the Community Council in the new Community Garden and will in the future provide a much needed wind break for the new site. The Hawthorn (Whitethorn) and Crab Apple will also supply berries and fruit to help attract a greater variety of birds to the centre. The event is open to all and will take place at the *Community Centre at 2pm on Sunday 11th March*. Our Community Garden received a boost when it was awarded a start up grant from the Energia and GIY Community Garden Campaign and there are plans to build a boundary fence and provide basic equipment such as compost and plant pots. There is a new audio garden diary now available as a podcast on the [www.goleen.info](http://www.goleen.info) Community Garden page as well as a link on the Goleen Village Facebook page which provides up to date news on what is being sowed, hoed and mowed at the garden. If anyone is interested in becoming involved, would like to learn more about gardening or just wants to lend a hand you can contact Owen on 083 137 2013, the garden gate is always open.

### DUNMANUS ROVERS - Mizen Rovers & Muintir Bhaire amalgamate

As many of you know our underage GAA Club has been struggling in recent years with numbers and often struggling in fact to field a team. 2017 saw the first season when we couldn't field an U14 team, very limited numbers at U10 & U12, a very tight panel at U16 but nevertheless an outstanding season for them and lucky to have a good size panel at minor level. Something had to be done to try to keep our players playing & also ensuring the future of the adult club. Our near neighbours Durrus/Muintir Bhaire were in much the same predicament so we have come together and joined forces at U14, U16 & U18. We hope to work hard at this amalgamation and hopefully the trophies will follow. The name of the new club is "DUNMANUS ROVERS". A public meeting for all with an interest in the club will be arranged shortly when all paperwork is in order. We look forward to the continued support of the Goleen people.
